Tenuta di Carleone may be considered one of the most surprising and high profile new projects in Chianti. The wonderful estate is located in the heart of the Chianti Classico region. Accordingly, the wine is an example of what a 'Classico' should be.

The very talented winemaker Sean O'Callaghan knew how to amaze both friend and foe with this unseen, very noble style of Chianti Classico that immediately earned high scores. He combines a new style of winemaking with old vines, as we love it at Bistro Monroe. Blending the Old with the New!

Great quality combined with his own style and signature is all that interests him. The magnificent Shiraz grape is the most important in these powerful, deeply concentrated red wines! This is the modern Australian version of Châteauneuf du Pape. The fantastic ‘Father in Law’ is a stunning top wine that drips with quality. The taste is particularly elegant and fruity, with the perfect mix of red fruit, fresh acidity, and ripe, soft tannins. A super elegant wine with that typical Shiraz class! A wine for connoisseurs!

### **BARGYLUS - 2016**

#### **CABERNET SAUVIGNON, MERLOT, SYRAH | LATAKIA, SYRIA**

The most dangerous wine in the world? A must-try for adventurous wine lovers in Monroe. The vineyard of the Saade brothers, both from Beirut, is located 900 meters above sea level at the top of a mountain in northwestern Syria. A blend of 60% Syrah, 20% Cabernet Sauvignon, and 20% Merlot forms the basis of this beautiful intense wine. It is currently the only remaining commercial winery in Syria since the outbreak of the war in March 2011. "What began as a venture has grown into a challenge," say the Saades. They have been managing their vineyards remotely with their local team since 2012. The result is stunning, and the wines from the estate can be found in top restaurants around the world. Black fruit on the nose, such as blueberries and cherries. On the palate, ripe black plums with a pleasant freshness and a touch of black pepper. A wine with great depth and a long finish. A bomb that pairs perfectly with beautifully aged and grilled red meat.

**CLOS DU MARQUIS - GRAND VIN - ST JULIEN - 2020  
CABERNET SAUVIGNON, MERLOT, CABERNET FRANC,  
PETIT VERDOT | BORDEAUX, FRANCE**

No longer the second wine of Léoville Las Cases! Since 2010, this cru includes all the parcels outside the walled vineyard of Léoville Las Cases, located on the other side of the road. These terroirs are exceptional, as they are surrounded by several 2nd Grand Crus of St. Julien and Pauillac. Clos du Marquis is a powerful wine from Hubert Delon and is much cheaper than his Léoville Las Cases, yet it is vinified by the same team and using the same techniques. On the nose, this wine displays intense notes of black fruits (black cherries) and balsamic aromas of cedarwood. The entry on the palate is dynamic, with a very nice acidity that develops into a powerful mid-palate, elegantly structured but with a tannin structure that impresses with its precision. A Clos du Marquis that surprises with its power and balance. Sublime!

### **VOSNE ROMANÉE -1ER CRU - ‘AUX BRÛLÉES’ - 2017 PINOT NOIR | DOMAINE MICHEL GROS, BOURGOGNE, CÔTE DE NUITS, FRANCE**

This estate has enjoyed an excellent reputation for decades and belongs to the crème de la crème of Burgundy. Michel Gros, now assisted by his son Pierre, owns, among others, the highly regarded ‘1er cru Aux Brûlées’ in Vosne-Romanée. Exceptional class, with very limited volumes. A youthful, compact nose of floral raspberries, cherry fruit, cedarwood, and cinnamon spices. A concentrated taste of wild strawberries and red cherries, stylish oak, and a juicy, mineral finish. Needless to say, “this is it” for ultimate Burgundy fans. Perfect to start a meal with, alongside a beautiful steak tartare, or to enjoy with the most elegant piece of red meat, cooked rare on the Bastard BBQ, or to conclude as a companion to the delightful cheeses from Van Tricht.

### **CHÂTEAUNEUF-DU-PAPE “HOMMAGE À JACQUES PERRIN“ - 2017 GOUNOISE, GRENACHE NOIR, MOURVÈDRE, SHIRAZ, SYRAH DOMAINE DE BEAUCASTEL, CHÂTEAUNEUF-DU-PAPE AOC, RHÔNE, FRANCE**

The Châteauneuf-Du-Pape “Homage a Jacques Perrin” is a great wine. It is a blend of 60% Mourvèdre, 20% Grenache, 15% Syrah and the rest Counoise, all from very old vineyards. Only a very limited number of bottles are made of this top version of Beaucastel.

In the Wine-Advocate’s review, Jeb Dunnuck writes that he couldn’t bring himself to spit out this wine during the tasting! Rightly so.

In the glass a deep black-ruby red color. The wine has an incredible minerality along with black and blue fruit, forest floor and leather. Full-bodied and concentrated with nicely fused tannins, in short: what a flavor bomb! The Rolls Royce of Châteauneufs and exclusively available here at Monroe!

**Parker 99/100**

**CHÂTEAU HAUT BRION 2010, PREMIER CRU CLASSÉ  
CABERNET FRANC, CABERNET SAUVIGNON, MERLOT  
PESSAC-LÉOGNAN, BORDEAUX, FRANCE**

A dry year with a parched summer. The weather during the growing season, from early April to late September, was the driest since 1949. This water shortage caused dehydration in the vines, concentrating the grape juice and leading to the highest levels ever measured, particularly in terms of sugar content.

The red wines of 2010 are the deepest in color of recent years. A very intense bouquet of blackberries, black currants, coffee, and tobacco. Full-bodied, creamy taste of ripe forest fruits, spices, leather, and cocoa. Beautiful and complex. World-class!
